

REMARKS

Replacement drawings are enclosed as specified by the notice of allowability of 8/26/04.

As can be seen in the attached copy of a post card, the drawings were mailed 1/27/04 and received, so no drawings are required.

These drawings are enclosed in case the previous ones have been lost.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Eric W. Petraske", is written over a horizontal line.
